

Early in the year 1960 I sent a book to Mrs. Keene in Alberta and she forwarded it on to the next on the list of names. This was for the purpose of keeping in touch with the McCrie clan, many of which we seldom see and that are unable to attend the picnic.

The book went ^{quite} a ways and was returned in time for our family reunion with many interesting greetings, letters, and snaps. However, it did not make the rounds of all the McCries, but was enjoyed by all at our McCrie Reunion.

This year, as your Secretary, I am starting a new one. Will you please write greetings and anything you might like to tell us about your family and home, and forward it on to the next name on the list under yours?

Please put return address on parcel as some of the addresses may not be correct.

would you kindly keep the book
moving as it has a long way to
travel to reach all the McCrees, and
I would like it returned to Mooretown
c/o Mrs. Jack Bell by the end of July
so it can be taken to our picnic
the first Sunday in August at
Cantara Park?

We hope as many as can will plan
to meet with us at this family picnic
and renew old friendships. If you
have snaps to paste on your page
with your letter, we would appreciate
it.
