Dear Jamie

We saw Mrs. Lofquist Monday for a few moments, she did not stay very long as both of them picked up a cold on their Florida trip. We did find out for you that Ken's Birthday is Nov. 10 and he will be 17 yrs. old.

Yesterday Mrs. Lofquist, Ken, Donnie and the girls who are staying in Etzel's house were all raking leaves at the Lofquists (after school). We have had very nice weather so far this week, the oil heater was shut off 3 days ago as it got too hot in the house, so we are lighting a wood fire in the kitchen, just in a large piece when mego to bed and it is not too cold in the morning.

We sure have a good crop of leaves on the ground out here but they will have to stay I guess, because neither Grand Ma or I can do the raking any more, at least this year.

Tried out our invention with the air out of the vac. cleaner on the hot water pipes and think it will work with a little care & time. Grand Ma I have been going for a little walk every evening, just for maybe 15 min.

We do hope that you will be able to come out early Saturday, so there will be a little time for you to relax and have a little fun.

To day we packed the box of leaves + butter - sweet for Aunt Lily and will take it into Pinckney tomorrow, mail it and this letter too. Hope it gets to you in time for what ever you want to do. We really are glad that the Election is all

overwith for four more years, ⁽²⁾ it got to be boring and loused up our T.V. programs too much.

What do you think of the new postage stamp on this letter?

Have you folk heard any more from Aunt Nedra & Uncle Hugh?

Had a lot of kids up here for Halloween all dressed up & false faces. Sarah probably missed out on that because she wanted to stay at Grand Pa's Summer house, well only a few more days and Grand Pa & Grand Ma will heat their winter house until Spring.

We thought that maybe David & his Ma might come out last Sunday, but nobody showed up.

We are getting pretty well squashed away out here, do a little each day. Don't know how Grand Ma hauls so much stuff out here, if fact we turned up 3 boxes of Heckmans Crackers today.

Well Jamie I will close now, let Mom and Dad read this and I'll save a 5¢ stamp, be seeing you Saturday, early we hope.

With Love & Good Wishes

Grand Ma and Grand Pa
