Dear Len,

I'm sort of tired, we just came home from a trip to Alvinston. Jessie called Tuesday & asked if we would like to go Sat. So I told her, you were contemplating on coming home this week-end. So she said she would call Fri Eve. for the verdict. The next day, I received your letter, saying you wouldn't be home & Mom cancelled her trip to Mary. So for a while, so we told her Fri eve. that we would

go the next morn. So. we left  
shortly after 11 A. m. & got along  
fine until we came to near  
Port Huron, then I noticed the  
Car making a funny noise, when  
I'd step on the gas. It ~~car kept~~  
getting louder & louder. Then it  
dawned on me it was the same  
noise the Car made it in May,  
when the muffler was bad. So  
I thought we would risk it to Alvinston  
to see what John would say.

Outside of Sarnia we stopped  
at Marg. McCie's to deliver a  
sweater, left at the McCie picnic  
then we went on to Alvinston.

John said a band had slipped  
down the muffler & it would be alright  
till we got home. It is so bad we

Can't hear to <sup>(3)</sup> Carry on a Conversation  
So I guess I better put the  
Car in the garage tomorrow  
& leave it til you come home.

He had a real good time &  
Beth gets along <sup>swell</sup> with Sharon as  
if she had been playing with  
her the last 4 years. They are  
very pal-ish.

On our way home, we  
took Jessie to Anne - in Strathg.  
My Anne looks good. I hadn't  
seen her for quite a while

Jessie is staying over until  
Wed.

I slept with Jamie in  
a big bed last night & we got  
along fine.

Gina so ~~has~~ tired I think  
I better stop writing & go to bed.  
Love from  
Jean.
