## INSTRUCTIONS

### TO THE RELIEVING OFFICERS.

Each Relieving Officer in future is to fill up and transmit to the Master of the Workhouse a History Sheet of every child admitted by him or the Board to the Workhouse, within 24 hours from the date of such admission.

In second or subsequent re-admission of a child, the original history sheet is to be revised by the Relieving Officer, and not a fresh sheet started.

### TO THE MASTER OF WORKHOUSE.

The Master is in future to see that he receives a History Sheet for every child admitted by the Board or the Relieving Officers to the Workhouse, and after examining the same when interviewing the child to transmit it to the Supt. of the Schools with the children and their Admission Order. In case of children admitted other than by an Order of the Relieving Officer or the Board the Master must make out a History Sheet himself.

With regard to deserted or illegitimate children, the Master must request the General Relieving Officer to record any steps taken by him with regard thereto, and also obtain the Report of the Settlement Officer as to the child's settlement after such children have been selected for the Schools and before the day fixed for transferring such children.

### TO THE SUPT. OF THE SCHOOLS.

The Supt. is in future, when interviewing fresh admissions, to see that he has a History Sheet for each child, and if one is missing to write to the Master of the Workhouse for the same forthwith. The Supt. is also to revise the history of the child as the circumstances demand, as he will be held responsible for its production to the School Committee when such Committee interview the children.

### TO THE MEDICAL OFFICERS.

The Medical Officers are to record hereon their report as to any physical or other defects noticed on the child's admission to Workhouse or Schools.
